

SIMCOE MUSKOKA CATHOLIC DISTRICT SCHOOL BOARD

2023 - 2024 Student Handbook

Welcome

Dear SMCDSB Staff and Families,

Welcome to the 2023/2024 school year! Summer months bless us with plenty of sunshine, warm temperatures, and opportunities to rest and relax. It's also easy to embrace crisp fall days, colourful autumn views, and the familiar routines of going to school each day. It's always fun to reconnect with friends, young and old.

This year's school year theme, described in more detail on the next page, speaks of grace, mercy and peace. As we explore this theme over the year, we will learn how important each of these virtues is.

Today, we can't get enough grace, mercy, and peace. Our students need it, our support staff need it, our educators need it, and certainly our communities need it. Let's make this the year that we speak and act with grace, mercy, and peace in an effort to spread love and kindness. I'm sure we can think of ways to be kinder at school, in classrooms and playgrounds. There are also many ways to be kinder to our loved ones. It is equally important to be kind to strangers too - people who might be struggling in ways that we can only imagine.

Kindness is contagious. One kind gesture rooted in grace, mercy and peace motivates others to do the same. Speak gently, even when frustrated. Be respectful, even when challenged. Be calm, especially when others cannot. Avoid judgment, criticize less, and appreciate more.

Extend your kindness to the environment too. Litter less, and lead by example so that others will do the same. Be kind to Mother Earth - recycle more, use less plastic, turn off lights not required, nurture gardens for bumblebees - the list is endless.

My prayer for the staff and students of the Simcoe Muskoka Catholic District School Board community is that we have a productive, healthy, and fun year of learning, punctuated by grace, mercy, and peace for ourselves and others. September sees us begin our school year with renewed energy and hope. Let's work our way towards June, and be able to look back at our school year with pride and happiness, knowing that we all did our very best.

Blessings for a wonderful year,

Frances Bagley
Director of Education

Faith in our Schools

“Grace, mercy and peace”: these are three of the blessings that St. Paul often wishes to other Christians in his New Testament letters. This year, they are also blessings we are wishing for everyone who is part of the life of our Simcoe Muskoka Catholic District School Board family.

In our Christian faith, grace means showing others patience and understanding—being people of kindness and generosity, who strive to go beyond doing the mere minimum in our relationships with each other.

Mercy is a key biblical concept that reminds us of the importance of forgiveness and compassion, allowing people the chance to start over again when we make mistakes—because we know how God never stops offering us forgiveness through Jesus.

The kind of peace God offers us (called shalom in biblical Hebrew) is much more than just not fighting: it is a kind of all-embracing wholeness and reconciliation that touches our relationship with God, with other people, with Creation—and with our own deepest selves. It is a peace that transforms everything it touches.

With COVID-19 in the rearview mirror, we do not want to simply try to rebuild the ways things were in the past. Just the opposite: we are building anew, drawing upon God’s gifts to build something fresh and beautiful that has never existed before. Our eyes are eagerly focussed on the future and what it will look like, when we are gracious, merciful and peaceful toward each other, with grace, mercy and peace in our thoughts, words and actions!

Our Strategic Plan

Our Vision Statement

Our Faith. Our Students. Our Future.

Our Mission Statement

Faithfully, inclusively and equitably, we inspire every student to realize their God-given potential.

Priority One

Fostering Well-being

A culture of spiritual, physical, social-emotional, and mental wellness.

Priority Two

Strengthening Equity and Inclusion

Communities that welcome, accept and provide opportunities for everyone.

Priority Three

Nurturing Engagement and Learning

Communities who grow through partnership, innovation, and continuous improvement.

Priority Four

Developing Leaders

Individuals who will shape our future.

Guiding Principle: Guided by our faith, these priorities are achieved through the effective stewardship of resources, and by consistently reviewing, revising, and reporting our progress.

Our Virtues and Values

Faith	Hope	Love
Truth	Justice	Compassion
Forgiveness	Family	Service

Ontario Catholic School Graduate Expectations

The Ontario Catholic School Graduate Expectations provide a vision of learning, which includes knowledge and skills as well as values, attitudes, and actions.

We are helping students to become:

- Discerning believers formed in the Catholic faith community;
- Effective communicators;
- Reflective, creative and holistic thinkers;
- Self-directed, responsible, lifelong learners;

- Collaborative contributors;
- Caring family members; and
- Responsible citizens.

These graduate expectations highlight what is both essential and distinctive about Catholic education. Together with the mission, vision, virtues, and values, they set the context and foundation for our strategic priorities and for decision-making in our Board.

Parents as Partners - Getting Involved

Establishing a positive and open relationship between parents, teachers, and students is a critical part of achieving excellence in education and it is something we value.

In addition to regularly communicating with your child's teacher, there may also be other volunteer opportunities at the school. You may even want to consider becoming involved in the Catholic School Community Council or Catholic Parent Involvement Committee.

When You Have Concerns

A strong relationship between home and school is an important part of helping all children reach their full potential. From time to time, we know there may be a misunderstanding, lack of communication, or situations that require attention. When this happens, all parties must work together to resolve the matter.

If you have an issue or concern that you would like to raise, we encourage you review the following documents:

- [PCGE-08 Responding to Issues and Concerns](#)
- [Guidelines and Expectations for Fostering Respectful and Safe Environments](#)

Our process requires that issues and concerns are dealt with at the local level first, prior to it being escalated. We understand that there are some circumstances where, after all reasonable efforts are made, a response or resolution cannot be achieved with the people most directly involved. In these cases, an issue may be formally escalated.

Safe Schools

In Caring Hands

An important part of our role is to provide a learning environment where all students feel safe, valued, and respected. Our Catholic schools promote responsibility, respect, Catholic moral teaching, spirituality, civility, and academic excellence in a safe learning and teaching environment. As a Catholic school system, we must be proactive to ensure that our Catholic values are preserved and promoted.

Safe Welcome Program

All of our elementary schools have front door intercom and video technology. All visitors will need to press the buzzer to gain admittance and then proceed to the main office to sign in. We ask parents and students to be patient while waiting for office staff to buzz them into the school.

Scent-Safe Schools

All of our schools and Board office locations have implemented a Scent-Safe program. This means that we are asking that students, staff, and visitors refrain from using scented products.

We know that allergies and sensitivities to scents can have health implications, which can range from mild to severe and can even result in hospitalization. As a Catholic community, we must do everything possible to nurture a sense of belonging and inclusiveness by ensuring that those who have allergies and sensitivities are safe and fully included at school and work.

Not using scented products is a simple thing to do and it will ensure a safe and comfortable environment for all of our students and staff. We thank you for your cooperation.

Responsible Use of Technology

Our Board has a policy on the Responsible Use of Information and Communication Technology (ICT). This Board policy LE-25 is available on our website in the Policy and Procedure section at www.smcdsb.on.ca

We are excited for students and staff to embrace technology as an important part of the school's learning environment. However, it is important that everyone who accesses Board technology uses it in an appropriate and responsible way.

Our policy clearly outlines the Board's expectations related to the responsible use of ICT and its associated resources, including hardware, software, network, Internet usage, and social media. We require all individuals or groups who use Board technology to understand and comply with the expectations outlined in the policy.

At the beginning of each school year, students will be required to review age-appropriate information related to the policy, with a focus on digital citizenship, responsibilities, and consequences. Parents and students are required to read and sign a *Responsible Use of Technology Agreement* annually.

Code of Conduct

Based on guidelines from the Ministry of Education, our Board and schools have developed codes of conduct, which outline the standards of behaviour expected in our Catholic school communities. Staff, parents, students, and members of the larger community all work together to help ensure that these standards are achieved.

The spirit of Christ guides us in achieving respect, civility, and responsible citizenship through the following standards of behaviour:

- Respect and comply with all applicable federal, provincial and municipal laws;
- Demonstrate honesty and integrity;
- Respect differences in people, their ideas and opinions as each member is a unique creation of God;
- Treat one another with dignity and respect at all times, and especially when there is disagreement;
- Respect and treat others fairly, regardless of, for example, race, ancestry, place of origin, colour, ethnic origin, citizenship, creed, sex, sexual orientation, gender identity, gender expression, age, marital status, family status, or disability;
- Respect the rights of others;

- Dress in a manner that complies with school dress/uniform codes and is appropriate for school activities with regard to exposure, cleanliness, and/or message;
- Show proper care and regard for school property and the property of others;
- Take appropriate measures to help those in need;
- Respect all members of the school community, especially persons in a position of authority;
- Respect the needs of others to work in an environment that is conducive to learning, including ensuring that cellphones and other personal mobile devices are only used during instructional time for education purposes (as directed by an educator) for health and medical purposes and/or to support special education needs;
- Seek assistance from a member of the school staff, if necessary, to resolve conflict peacefully;
- Not swear at a teacher or at another person in a position of authority.

In order to ensure the safety and well-being of everyone, all members of our school communities must not:

- Cause injury to any person with an object;
- Be in possession of, or under the influence of, or provide others with, alcohol, recreational cannabis, illegal and/or restricted or illegal drugs;
- Be in possession of any weapon, including firearms;
- Use any object to threaten or intimidate another person;
- Provide alcohol, recreational cannabis, illegal and/or restricted drugs to a minor;
- Inflict or encourage others to inflict bodily harm on another person;
- Engage in bullying behaviours;
- Commit sexual assault;
- Traffic weapons or illegal drugs;
- Give alcohol to a minor;
- Commit robbery;
- Engage in hate propaganda and other forms of behaviour motivated by hate or bias; and
- Commit an act of vandalism that causes extensive damage to school property or to property located on the premises of the school.

You can find our Board's policy and procedure documents related to code of conduct at smcdsb.on.ca

Progressive Discipline

Our schools support a progressive discipline approach to addressing inappropriate behaviour in school. The aim is to combine discipline with opportunities for students to continue their education.

What is progressive discipline?

Progressive discipline is an approach that assists us in dealing with inappropriate behaviours and achieving positive outcomes at school. The approach includes interventions, supports, and consequences, which may get progressively more severe if behaviours continue to escalate. For example, discipline could range from a conversation to expulsion. However, the approach also focuses on developing strategies, preventative measures, and partnerships to proactively promote positive behaviour.

You can find our Board's policy and procedure documents related to progressive discipline at smcdsb.on.ca.

Building Communities of Respect

We know that bullying is an issue that is often discussed at school, at home, and in the community. Everyone has the right to feel safe in school and that is why we are committed to building communities of respect in each and every one of our schools. We know that bullying can manifest itself in many different ways including cyber-bullying, name-calling, fighting, and gossiping.

It is important to let students know that if they are experiencing any kind of bullying, that they must speak to a trusted adult so that the issue can be addressed. As always, our caring and professional staff is committed to working with parents to make sure that every child feels welcome and respected both inside and outside of the classroom.

Restorative Practices

One of the approaches that our Board uses to promote positive behaviour and to address issues of concern is called "Restorative Practice." This approach is based on the premise that young people can take responsibility and learn from their choices. Students are invited to participate in dialogue and are encouraged to take ownership of their behaviour. Questions such as What happened? What were you thinking at the time? and What have you been thinking since? replace accusation, blame, and recrimination.

Our principals, school counselors, and teachers are widely using this approach to help resolve conflicts and provide an opportunity to repair harm. We have had great success with Restorative Practice at our Board. It is helping us build caring communities and enhance learning opportunities for students, as well as reducing and preventing bullying and truancy.

Including Every Student

Equity and Inclusion

As a publicly-funded Catholic school board, we understand equity and inclusion to be essential characteristics of life in our school board, schools and board sites. We are committed to ensuring that students, staff and families feel welcome, safe, included and represented in our board and its educational work.

Our work in equitable and inclusive education is grounded both in relevant legislation and human rights documents, and in the social teachings of the Catholic Church, which emphasize the inherent dignity of every person, regardless of their race, age, language, colour, national or cultural background, ability, socio-economic status, gender identity or sexual orientation. In 1991, Pope St. John Paul II wrote that “Human persons are willed by God; they are imprinted with God's image” (Centesimus Annus, #11), and Vatican documents remind us of “the radical equality and brotherhood among all people, regardless of their race, nation, sex, origin, culture, or class” (Compendium of the Church’s Social Teaching, #144). Our goal is to continually build up communities where people can flourish, and in which their God-given identity and gifts can fully shine forth.

Special Education Program

We believe that God has created each child as a unique individual. We promote an atmosphere that includes and accepts everyone at our schools.

The Special Education Advisory Committee (SEAC) of the Simcoe Muskoka Catholic District School Board places a significant emphasis on special education programming and our Board makes a commitment to include all students in classroom learning experiences.

We support and encourage children with special needs so that they can participate at school in meaningful ways. There may be specific programs, services, and resources to help support your child. For students with exceptional learning needs, school staff will work with parents to develop an Individual Education Plan. For more information about special education programming at our Board, please speak to your school principal and visit our website at smcdsb.on.ca.

First Nation, Métis and Inuit Education

Making
Good
Tracks

Our Board's award-winning consultation process known as Making Good Tracks is one of many strategies intended to promote deeper understandings about our shared history and contributions of First Nation, Métis, and Inuit across Canada - with a focus on student well-being, achievement, and benefits for all within our learning community.

Making the Grade

Assessment and Evaluation

As a Catholic school Board, we recognize each student as an individual who, through God, possesses unique gifts and experiences. In addition, we always strive to maintain children's self-worth and dignity and provide opportunities for hope and success.

In our schools, assessment and evaluation are about more than measuring achievement and assigning value to your child's work. Our objective is to improve how students learn. We use information from assessments to improve teaching strategies and programs for your child.

You can find more information about student evaluation on our website smcdsb.on.ca.

Student Transportation

Riding the bus is an important part of your child's school experience. We want all our students to feel as safe and comfortable as possible. This requires the support of parents, students, and all members of our community who use the roads when school buses are in operation.

Criteria for Bus Cancellations

School bus operators, in consultation with the Simcoe County Student Transportation Consortium, are responsible for determining if buses will be canceled. For our Muskoka schools, decisions around bus cancellations will be coordinated by the Trillium Lakelands Transportation Consortium.

Early in the morning, the bus operators assess the weather and road conditions to determine if the buses will start and run safely on our roads. Student safety is always the number one priority in making decisions regarding cancellations. For more information about cancellation criteria or to find out if your child's bus is canceled, please visit:

For our Parry Sound Catholic school visit <http://en.npssts.ca>

For Simcoe County & Muskoka Catholic schools visit simcoecountyschoolbus.ca

Know Your Weather Zone (Simcoe County only)

Weather zones are used to allow for partial bus cancellations on inclement weather days. There are four zones in Simcoe County – north, south, central, and west – and it is important for you to know which zone your school resides in (our Muskoka and Parry Sound schools do not use this system). Check on your school's website or in the school section of this agenda to find out your weather zone.

Here is an example of how weather zones work – it may be that the weather in the Collingwood area is such that it is not safe for the buses to travel the roads, and so buses in the west weather zone would be canceled, while the buses in the remaining three zones would continue to run. No school belongs in more than one zone.

For up-to-date information about bus cancellations, please visit the Simcoe County Student Transportation Consortium website simcoecountyschoolbus.ca.

Resources for You

Board and School Websites

For more information on any topic, visit our Board's website at smcdsb.on.ca. In addition to finding updates about programs, events, and initiatives on our home page, you will also find information on everything from literacy tips and provincial testing to special education and healthy schools. Your school also has a website that will provide you with up-to-date information about activities, events, and learning initiatives.

Policies and Procedures

Our policies are essentially statements that guide our Board's overall direction – they state our intent, principles, and goals. We also have procedures or guidelines that help support these statements. Our trustees regularly work with staff to update and maintain these policies and procedures.

For a greater insight into how our schools are governed, we encourage you to take a look at the policies and procedures, located on our website at smcdsb.on.ca – under the Our Board menu.

Getting Ready for Kindergarten

Kindergarten is the beginning of a wonderful learning journey. To introduce parents and children to the Kindergarten experience, we developed a welcome package, entitled "Getting Ready For Kindergarten." We also have a video on our YouTube channel that will allow you to see what Kindergarten is all about at a Catholic school.

Twitter

Our Board has a Twitter account @smcdsb. In addition, many of our schools use Twitter to communicate with parents and their larger communities. It is a quick and fun way to share news and information about all of the great things that happen in our schools each and every day. Please follow @smcdsb and enjoy this easy way to stay in the loop.

Facebook

Our Board has a Facebook page! Please “Like” and “Follow” our page @smcdsb and become part of our Catholic social community.

Instagram

Be sure to follow us on Instagram @we_are_smcdsb for photos of the special activities and events that happen in our schools every day, as well as the staff and students that make it all happen.

Mobile App

Stay in the loop with our mobile app! You can download our mobile app from Google Play or the Apple Store.

Mental Health

Student mental health and well-being are a top priority for our school board. There are many resources for students and their families. Visiting the [Mental Health and Well-Being website](#) is a great place to start. The department also has a great Instagram page - @smcdsb_mhwb

Podcast

Beyond the Bell is all about providing parents and caregivers an inside look into the school system. You may find us talking about familiar topics, but our goal is to provide you with information and a new perspective that you may not have thought about. You know... those things that you didn't know that you needed to know! Past episodes of OnPoint Parenting are also available on our website.

Subscribe and listen today at beyondthebell.ca

Our Trustees

Our Board is privileged to have eight elected trustees and two student trustees who serve Catholic education in our school communities. They provide leadership and governance for the Board within the context of our faith and Gospel values.

Up-to-date information on our Board, our schools, your trustee, Board meetings and policies and procedures is available on our website smcdsb.on.ca (Note: for the Barrie area - Wards 1, 2, 3, 4 and 5 are predominantly in north Barrie and Wards 6, 7, 8, 9, and 10 are predominantly in south Barrie).

For more information about your local school board trustee, including contact information, please visit our website smcdsb.on.ca - under the Trustees menu.

DISTRICT SCHOOL BOARD

St. Charles Catholic School

Student Handbook

691 Simcoe Road
Bradford West Gwillimbury, ON L3Z 4B4

Telephone: 905.775.6762
Fax: 905.775.1792

Dear Parents and Guardians,

Welcome to the 2023 – 2024 school year.

It is with great pleasure that we take this opportunity to welcome you to St. Charles Catholic School. We are extremely proud of our school, and we encourage you to make the most of your time with us.

We welcome the new families who have joined our St. Charles Catholic School community. Some of you are new to the Bradford area and some are new to our school district. Whatever your situation, we are happy you are here!

This school year will be one filled with exciting learning. I look forward to developing long-lasting relationships with this vibrant, faith-filled community.

Yours in Catholic Education,

Cassandra Medve-Racine

Principal smcdsb.on.ca/sch

Follow us on Twitter: @SMCDSB_SCH

The Balanced Day

The balanced school day schedule divides the school day into three significant learning blocks; 120 minutes, 100 minutes and 80 minutes. Two breaks are provided, one in the morning and afternoon. Each 40-minute break allows for 20 minutes of eating and 20 minutes of activity in both the morning and afternoon

The benefits of the balanced school day are three-fold: academic time, nutrition and physical activity.

- **Academic** – **more** instruction time with less interruption allows teaching and learning to occur at an optimum level.
- **Nutrition** – **research** indicates that children need frequent food breaks during the day. The balanced school day schedule provides two opportunities for students to consume nutritious food rather than eating on the run at recess. Students who are nutritionally satisfied

can concentrate better and more effectively.

- **Physical activity** – **allows** students two 20 minute uninterrupted play per day. Quality exercise time energizes students, helps them to concentrate on schoolwork and promotes a healthy lifestyle.

Bell Schedule

8:30 a.m.	Yard Supervision Begins
8:45 a.m.	Entry Bell
10:45 – 11:05 a.m.	Nutrition Break
11:05 – 11:25 a.m.	Morning Recess
1:05 – 1:25 p.m.	Nutrition Break(Lunch)
1:25 – 1:45 p.m.	Afternoon Recess
3:05 p.m.	Dismissal

FAITH IN OUR SCHOOL COMMUNITY

School Mission Statement

The St. Charles Catholic School community, which includes the students, parents, staff and parish, are joined together on a journey of faith, rooted in tradition and in the love of Jesus. We are committed to the development of academic excellence and learning for all in a safe, caring, Christian environment where students are accepted; understood and valued for whom they are as individuals. It is our mission to develop the whole child: spiritually, intellectually, emotionally, and physically. We want to foster a sense of self-worth and love of learning, which will empower our children to face the challenges of the future and make our world a better place.

Prayer of St. Charles

Almighty God, you have generously made known to human beings the mysteries of your life through Jesus Christ your Son in the Holy Spirit. Enlighten my mind to know these mysteries, which your Church treasures and teaches.

Move my heart to love them and my will to live in accord with them.

Give me the ability to teach this Faith to

others without pride, without ostentation, and without personal gain.

Let me realize that I am simply your instrument for bringing others to the knowledge of the wonderful things you have done for all your creatures.
Help me to be faithful to this task that you have entrusted to me.

Amen.

Our Parish Partner

We believe in fostering a strong relationship between your home, our school, and Holy Martyrs of Japan Church. Our parish works closely with our school community to provide your child with an education rooted in the Catholic faith.

Throughout the year, there will be opportunities for our students to participate in the sacraments, Mass, and prayer celebrations. You will often see our pastor, Father Josh and associate pastor visiting classes in our school and celebrating special events with our community.

Sacramental Preparation

Through the teaching of the Religious Education curriculum, we work closely with our parish community to support students, as they get ready to receive their sacraments.

Each year, students in Grade 2 have the opportunity to receive the Sacraments of Reconciliation and First Communion. Parents will work with Holy Martyrs of Japan Church to prepare for these sacraments. Our school supports and complements what children are learning at the parish through the teaching of the Religious Education Curriculum.

Students in Grade 7 have the opportunity to receive the Sacrament of Confirmation. Again, arrangements for this sacrament are made through the parish, but the teaching of the Religious Education curriculum and celebration of the sacrament is an important part

of the students' school year.

POSITIVE SCHOOL CLIMATE

Promoting a Positive School Climate

Maintaining a positive school climate at St. Charles Catholic School is a key priority because it helps students feel safe, welcomed and secure. Using our mission and Catholic values as a guide, we have developed procedures and guidelines to ensure that our students and staff learn and work in a positive and productive environment.

Student Behaviour

Our school community has established some key statements to outline expectations regarding student behaviour.

Students at St. Charles Catholic School:

- Will be active, positive and enthusiastic participants within our Catholic community as we strive towards living the Gospel message.
- Will come to school on time and prepared to work with an enthusiastic and positive attitude, while striving to achieve academic goals.
- Will be familiar with and practise the school procedures as outlined in this school handbook in addition to any policies outlined by administration during the school year.
- Will respect and obey those in authority within our school community. Students will address staff and visitors to our school community in a polite and courteous manner.
- Will respect fellow students as they listen actively, speak honestly and respond positively in the classroom, on the schoolyard and as ambassadors of our school in the community.

Dress For Success

Students will be participating in a wide range of activities at school – both inside and outdoors – and so it is important that they wear comfortable and durable clothing that is suitable for the weather.

Our school is special because we model ourselves after Jesus Christ. How we present ourselves must reflect our commitment to promoting a safe, positive and respectful learning environment.

We are working to make sure that our dress code supports equity and inclusion. We are doing this by following the Ontario Human Rights Code and by respecting difference and diversity. We invite families to review [our current dress code guidelines](#). In the fall, we will be connecting with school communities to invite input.

Footwear

For safety reasons and to maintain cleanliness in the classrooms, students must have indoor shoes to wear inside their class. Outdoor footwear is not to be worn in teaching areas. Students must have running shoes for gym classes.

SAFE SCHOOLS

Safe Arrival and Attendance

It is important that your child arrives at school safely and on time. Not only does it make things easier for our office administrator and classroom teachers, it also teaches your child the value of being punctual. Our Safe Arrival Program, which includes communicating with our office when your child is late or absent, helps ensure student safety.

Compulsory School Attendance

Ontario law states that children between the ages of 6 and 17 must attend school. We appreciate that sometimes there are circumstances beyond your control, such as illness, that might prevent attendance at school. However, these situations

should be rare, and the school principal will address prolonged absences. If your child is away for more than 15 consecutive days due to illness, a medical note will be needed to maintain your child on the school register.

There are many supports in place to encourage regular school attendance, including school counsellors, community agencies and an attendance counsellor. Please contact the school if you have questions or concerns.

Reporting Your Child Late or Absent

Please follow this simple, but critical process when reporting your child as late or absent:

Step 1 – phone our school at (905)775-6762 or use the absence reporting tool in our parent portal, [Home2School Connect](#) any time to inform us when your child will be absent or late. These options are available 24 hours per day.

Step 2 – leave your child's full name, teacher's name and the reason for the absence.

Step 3 – if your child is late, please have them go to the office where they will check in and be provided a late slip for admittance to class.

Safe Welcome Program

All of our elementary schools have front door intercom and video technology installed as part of the Ministry of Education's Safe Welcome Program.

The intention of the program is for all elementary schools in Ontario to have doors locked throughout the school day. This means that students who are late for school or return to school after an appointment will need to be buzzed in through the main entrance. This enhanced security measure provides us with one more way to monitor who is visiting our schools and help us ensure that all visitors sign in at the office.

Arrival & Dismissal Procedures

Please ensure that your child arrives on time to school each day. Any children entering the school after the designated times, when classes begin in the morning or afternoon, must first report to the office to obtain an admit slip. Attending school on time is a life lesson best started early. Chronic tardiness will result in consequences.

Thank you for your continued support in helping to ensure all of our students' safety.

Picking Children Up During the Day

Please come to the office when picking up your child at any time during the school day. The office administrator will then arrange to have your child meet you in the office. **For security reasons, parents, or visitors, may not visit the classrooms or portables or enter the schoolyard to pick up children.** If you plan to pick up your child before dismissal, please send a note to your child's teacher.

Please do not meet with the teacher when you are picking up or dropping off your child. It is extremely important for parents to make an appointment if they wish to speak to the teacher so that there will be no distractions as daily routines get underway.

Yard Supervision

Yard supervision begins at 8:30 a.m. A bell will signal the start of supervision. Students who are not bused in the mornings, should not arrive at the school before 8:30 a.m.

Students will remain outside until the 8:45 a.m. bell, unless there is inclement weather. On wet mornings or when the temperature is extremely cold (-25°C or -28°C with the wind chill) students will be directed inside.

All students are to enter and exit the building through their designated door (the same door they use for recess). Students should only use the main

front doors when they are being signed in due to lateness or signed out by a parent/guardian prior to the end of the school day.

If you drive your child home at the end of the day, please pick up your child from the teacher on duty near the south parking area. As the front hall is very busy at the end of the day, parents are asked to remain outside by the south parking area when picking up their children. We ask that parents exit the parking lot once they have picked up their child and after the buses have departed.

Bicycles

Students may ride their bicycles to school. Wearing a bicycle helmet is mandatory and students must walk their bikes when on school property. Please note that the school cannot accept responsibility for damaged or stolen bicycles.

Skateboards, In-line Skates and Scooters

Skateboards, in-line skates, scooters and Heelies (shoes with wheels in the heels) are not to be used on school property.

Riding the Bus

We are committed to providing safe and reliable bus transportation for our students. Riding the bus should be an enjoyable and positive experience for our students.

In order to ensure the safety of children riding the bus, we ask the following:

- Students must take their bus home in the evening unless they have a note from a parent or guardian indicating that they can remain at school or walk home.
- A note from a parent/guardian must be provided to the office if a student plans to get off the bus at a different stop. This note will be approved by the office and then provided to the bus driver
- Occasionally, we receive requests from parents to allow their child to ride the bus in order to visit a friend's house. Unfortunately, we are unable to accommodate these requests.

Ensuring Safety on the Bus

It is helpful to periodically remind your child about the rules and regulations of riding a school bus. Although it is very rare, school bus privileges can be suspended temporarily or permanently if a child does not respect the rules and regulations that are in place for the safety of everyone. Here are some basic guidelines to follow:

- Your child must always enter the bus in an orderly manner and immediately find a seat. Once on the bus, he or she must always follow the instructions of the school bus driver and/or bus patroller.
- All students must remain in their seats while the bus is in motion. With children sitting quietly, the bus driver is free from distractions and able to focus on road safety.
- Parents are financially responsible for any willful damage to the bus caused by their children.
- Keeping in mind the safety of all riders, we ask that your child not bring any objects onto the bus that may hinder safe operation.
- Students must also refrain from eating or drinking on the bus.
- Heads and arms must stay inside the bus at all times and aisles should be kept clear.
- Students must not throw any objects/ litter out of the windows.

Bus Cancellations Due to Inclement Weather

On inclement weather days we urge you to visit simcoecountyschoolbus.ca, or listen to a local radio station to find out if buses are cancelled. When buses are cancelled in the morning, they are automatically cancelled in the afternoon. Please note that on days when buses are not

running, students in attendance will continue to receive the same level of supervision as on any other school day. Regular classroom programs, however, are suspended when a large number of students or staff are absent. All hot lunches are postponed until the next school day.

Know Your Weather Zone

Weather zones are used to allow for partial bus cancellations. St. Charles Catholic School is in the **SOUTH weather zone**. There are four weather zones and it is possible that buses will run in our zone, but be cancelled in another zone and so it is important for you to know your zone.

Custody

We are always concerned about the safety of your child. In some family situations, there may be custody issues, visiting rights and special instructions – it is critical that we be made aware of any such situation. Please ensure that the office staff and the classroom teacher are aware of legal agreements between separated or divorced parents and copies of current legal documents are on file in the office.

Emergency Situations

At St. Charles Catholic School, procedures are in place so that we are fully prepared for an emergency situation. Staff and students routinely practise these procedures. If it is necessary to evacuate the school, our students will be relocated to the Danube Seniors Centre. In the case of an emergency, relocating students to this location is the responsibility of the Simcoe Muskoka Catholic District School Board. In any emergency situation, our school would work closely with the school board and emergency personnel to provide updates via websites and the media.

In very rare circumstances, (e.g., a power outage or loss of heat in the winter) we may be required to close the school early. In emergency situations or early school closures, your child may be picked up by you or an authorized designate. If a parent authorizes a designate to pick-up a student, the school would appreciate a signed and dated note.

Major Incidents

We know that being proactive and preparing for the potential of a major incident is a key way to keep our students and staff safe. As part of our safe schools initiative, St. Charles Catholic School has worked with the local police service to develop a response plan should a violent incident occur. This involves immediate contact with the police and a lockdown of the premises. Although it is highly unlikely that something like this would occur, our staff regularly reviews and practises procedures with the students. Your child may mention to you that they were involved in a “Lock Down” drill because that is what our response plan is referred to within the school.

GETTING INVOLVED

Communicating With You

Establishing a positive and open relationship between parents, teachers and students is a critical part of achieving excellence in education.

It is important to us at St. Charles Catholic School that all families stay informed of all of the wonderful things

happening here! For this reason we have three ways to stay informed about the exciting events happening in and around the school:

- **SchoolMessenger:** The Simcoe Muskoka Catholic District School Board uses the SchoolMessenger Communicate Tool to send messages and updates to our staff and families. These messages can be sent via email, text message or phone. Our school will use this tool to send regular updates to families throughout the year, and it will also be used by the Board or the school to communicate information during crisis or emergency situations. It is important that the school office has your most current email address and phone number on file so that you receive the messages in a timely

manner.

- **Twitter:** Follow us @SMCDSB_SCH to stay informed about upcoming events and interesting information about teaching and learning.
- **Remind:** Remind is a free, safe, and simple tool that allows you to receive school updates via text or email. All personal information is kept private. To receive messages, download the Remind App and use the class code @stchar.

We always welcome opportunities for parents to have meetings with teachers and other school staff as necessary throughout the school year.

Online Payment Using School-Day

Our school offers online payment through a program called School-Day.

The system will enable parents to:

- Approve permission forms and pay online instantly
- Register your child for extracurricular activities
- Order and pay for hot lunches
- Reduce the amount of paper sent home in backpacks

If you haven't done so already, please obtain your family's secure key code from the school and visit www.school-day.com to register. Once you have registered you can pay for items and approve permission forms by clicking on the “School Day” quick link on our school website or logging in directly on the school day website www.school-day.com.

Contact Information

Please inform the school office if your address or any other pertinent information such as home or work telephone numbers change throughout the year. We need to make certain that our records are accurate.

Making the Most of the School Day

In order to promote the best learning environment

possible, we ask that parents keep school day interruptions to a minimum. Planning in advance and maintaining regular communication will help maintain a harmonious and smooth day at school.

- **Dropping off items** – parents are not permitted to go to their child's classroom to drop off items, check-in, etc. If you need to see your child for some reason or would like to drop something off during the school day, you must check in at the office.
- **Speaking with the teacher** – if you have questions, we encourage you to speak to your child's teacher, but we recommend that you arrange discussion for either before or after school hours. In addition, if you are making a change to your child's regular routine, please make these arrangements well in advance and communicate changes with your child's teacher in writing.
- **Last minute messages** – our office is quite busy during the day, and so we urge you not to rely on us to get last minute messages to your child, unless it is an emergency.
- **Using the telephone** – students will not be permitted to use the office telephone unless they have permission from their teacher. If a phone call is necessary, it will be made by the teacher or another adult (this includes calls regarding illness or injury).

Catholic School Community Council

Our Catholic School Community Council is composed of parents, a teaching staff representative, a non-teaching staff representative, a parish representative, a representative from the community and the principal. Members are elected each fall and serve as an advisory body to the principal on many significant school issues throughout the year. Council represents the school community and works effectively with the school to communicate and respond to the needs of the community.

Anyone is welcome to attend the meetings. Dates are regularly sent out in our school newsletter and are

available on our website. Council believes that school goals should be supported and assisted by parents of our school population. To support these goals that benefit the students directly, Council relies on parents to support fundraising initiatives. All parents are encouraged to get involved.

Mission of the Catholic School Community Council

“Our mission is to support the development of the whole child: spiritually, intellectually, emotionally and physically. Through communication with the community and parish, we will accomplish a partnership of faith and trust. By fostering in our students a sense of self-worth and a love of learning, we will empower them to face the challenges of the future and make our world a better place.”

The St. Charles Catholic School Community Council believes that successful Catholic education in the local community requires active participation among the families, staff, and parish. We know the effective relationships between our educational school system and community are promoted through consultation, collaboration, and strong communication initiatives.

HEALTHY SCHOOLS

We know that parents want us to promote a healthy environment at school. This includes promoting healthy food options, opportunities for physical activity, as well as minimizing exposure to illness – all of these contribute to better learning.

Scent-Safe Schools

Please be advised that a Scent-Safe Schools program is now in place for all schools and board office locations. This means that we are asking for the cooperation of students, staff, and visitors in not using scented products in our working and learning environments.

We know that allergies and sensitivities to scents can have severe health implications, and so we must do everything possible to make sure that students, staff, and visitors with scent allergies and sensitivities are safe and fully included.

A scent is a smell or odour from products, and it can be natural such as flowers or synthetic such as perfume. Examples of products that may have scents include shampoos, deodorant, hairspray, soap, detergents, perfumes, lotions, candles, and cleaning products.

Not using scented helps to ensure a safe and comfortable environment for all of our students and staff.

Accident or Illness

If your child becomes sick or gets injured while at school, we will contact you as soon as possible. If you are not available, or unable to be contacted, we will call the emergency contacts that you have listed in your child's record. It is essential that parents and guardians notify the school of changes to phone numbers or contacts. If your child is well enough to attend school, he/she will be required to go outside for recess. We do not have the space or staff supervision to keep students in for this reason.

Communicable Diseases

The *Health Promotion and Protection Act* requires that children with certain communicable diseases must remain at home.

The following list defines some of the more common childhood diseases and how long your child should stay home if he/she becomes ill with one of these illnesses.

- **Chickenpox** – for 5 days after the rash begins or until all blisters have crusted.
- **Impetigo** – until the antibiotic prescribed by the doctor has been taken for at least one full day.
- **Pink-eye** – until the antibiotic prescribed by the doctor has been taken for at least one full day.

- **Scabies** – until treatment has been given.
- **Scarlet Fever** – until the antibiotic prescribed by the doctor has been taken for at least one full day.
- **Strep Throat** – until the antibiotic prescribed by the doctor has been taken for at least one full day.
- **Fifth Disease** – even though this is not a communicable disease, it should be reported to the office because there is a risk posed to pregnant women.

Visit the simcoemuskokahealth.org for more information.

Head Lice

Any situation related to head lice will be dealt with in a discreet manner, which protects the dignity of the children and privacy of families. Our school will educate students about preventative measures, and we will also send current information from the Health Unit home to parents.

We are asking parents and guardians to help us prevent incidents or the spread of head lice by doing the following:

- Examine your child's head for possible infestations at regular intervals.
- Notify the school of any infestations.
- Ensure that proper and full de-infestation takes place within a reasonable length of time.

The major signs and symptoms of head lice are: intense itching, frequent and persistent head scratching with scratch marks, or an apparent rash on the neck and scalp. Further information regarding head lice is available through the school office or by visiting the Health Unit's website at simcoemuskokahealth.org.

Vaccinations

In Ontario, under the *Immunization of School Pupils Act*, you must provide proof that your child's vaccinations are current or have completed an exemption form on file. When you register your child for school for the first time, you will be asked

for a record of your child's vaccinations. Students who don't have up-to-date records or a valid exemption on file at the Health Unit, may be suspended from school. You can find out more about vaccination programs on the Simcoe Muskoka District Health Unit's website at simcoe.muskoka.health.org.

Administering Medication

There are some students who require regular or special medication. We all want to be sure that your child receives any medication he or she needs. Our board has a medication administration policy, which states that no medication can be administered by staff without written permission from parents. Students may not carry medication with them at any time, with the exception of an EpiPen and/or inhaler. Informed consent must be provided from parents should a child be required to carry it with them. If a child requires medication, we will gladly administer it, but only by assigned staff.

For medication to be administered, a consent and instruction form must be filled out. These forms and our board's policy are available at our office or on the board's website at smcdsb.on.ca.

HEALTHY EATING

Lunch

Lunch is from 1:05 – 1:45pm. The first 20 minutes is for the students to eat their lunches. Students will eat their lunch at their desk and will remain on school property, unless special permission has been granted. Students who walk to school may go home for lunch if they have written permission from a parent. For the safety of your child, we ask that a consistent routine be established with regards to staying at school or walking home during lunch. If your child is going to a friend's house for lunch, written permission is required from the parents of both children.

Snacks

Students will be provided with time in the classroom to have snacks and drinks. All food and beverage must be eaten in the classroom and are not to be consumed in the hallway, gym, washrooms or outside at recess. We ask that students only use reusable, plastic bottles and containers for their drinks and snacks.

Allergies

Many children have allergies, but for some students an allergy can be life-threatening. For example, even minimal exposure to peanuts can prove fatal within minutes. Some other common allergens include tree nuts, shellfish, eggs, milk, and latex – all of these can cause severe reactions.

If your child has a severe allergy, it is absolutely critical that you let us know. With your help, we will do our best to reduce risk and make sure all our students are safe, healthy, and able to concentrate on learning.

Our staff is instructed on how to deal with anaphylactic shock. However, our best course of action is to prevent exposure to potentially life-threatening allergies. As a school community, we must work together to ensure the safety of our students.

Here is what we are doing to reduce the risk of allergic exposure:

- All food and beverages must be consumed inside the classroom – under no circumstances are students allowed to have snacks in the schoolyard.
- Our school is a peanut and tree nut aware zone. Please ensure that all food sent to school with your child meets the nut-free standard. "Pea butter" products are not permitted at school.
- Your child's teacher will inform you if there are other allergies in your child's classroom. We ask that you please understand and appreciate the health and safety of every student by not sending food and beverage

items that may be a cause for concern.

- We ask that you not provide treats for the classroom for special occasions without the pre-approval of the classroom teacher. There are many students with a variety of food allergies, and so we err on the side of caution to make sure all of our students are safe. Please consider non-food options as treats.

Selling Food and Beverage

We know that making healthy food choices while in school supports learning. The Government of Ontario has a school food and beverage policy, which has impacted the kinds of food and beverages we can sell at our school. The policy encourages selling lunches, snacks, and drinks that follow the principles of healthy eating in *Canada's Food Guide*.

Please note that St. Charles Catholic School is fully compliant with the School Food and Beverage Policy as mandated by the Ministry of Education. We will be offering healthy food options to our students. Additional information and order forms will be sent home in the fall.

BEYOND THE CLASSROOM

Recess

Getting some fresh air and participating in physical activity at recess is important. Unless the weather is unsuitable, students are expected to be outside during recess. We cannot leave children unsupervised inside the classroom, and so they must go out to the yard where supervision is provided. Students that are too ill to go outside for recess are too ill to be at school.

Dressing for the Weather

We ask that students dress in clothing that is suitable for the weather – this is especially important during the winter months. Durable and warm clothing will help ensure that your child's outdoor experiences are enjoyable. It is also advisable to label clothing, i.e., mitts, hats and

indoor shoes with your child's first and last name.

Yard Safety

While outside at recess, we expect students to play safely and respect the rules of the schoolyard at all times. During the winter months, it is essential to leave all snow on the ground. Throwing snowballs or kicking snow is not acceptable.

Bringing Personal Property to School

Please remember that the school is not responsible for damage, theft, or loss of personal property.

Valuables must not be brought to school including all mobile devices. Such valuables will be confiscated and kept at the office until a parent can pick it up. There may be times that a teacher invites electronics into the classroom for various school projects. On such occasions, a note will be sent home from the classroom teacher.

Students should not bring money to school. If your child is required to bring money for school events or activities, i.e., field trips, please ensure it remains in your child's school bag until the teacher collects it first thing in the morning.

Lost and Found

We encourage our students to check the lost and found for any misplaced items. If you know your child is missing something, you are welcome to check the lost and found yourself (please check in at the office first). Unclaimed items will eventually be donated to a local charity.

Field Trips

Students enjoy going on trips outside of the school. Field trips are a fun and informative way of providing your child with a new learning experience. Our board has a field trip policy, which you can find in the policy and procedures section of the website at smcdsb.on.ca.

Volunteers

We would like to thank all of our volunteers for all of the wonderful things they do to enhance our students' experiences at school. From volunteering in the classroom to assisting on school trips, your assistance is much appreciated. As a parent, if you wish to help out in any way at St. Charles Catholic School, please be aware that a current Criminal Background Check with a Vulnerable Sector Screening is required to be on file with the office. This applies to all school-related activities including driving students, assisting around the school with hot lunch, or accompanying students on class trips. The form can be picked up at the school office.

A Criminal Background Check is valid for one year. Each year thereafter, you may complete an Annual Declaration Form from the office at no additional cost.

Co-curricular Activities

There are various clubs and sport teams offered at the school. Many take place during nutrition breaks, as well as before or after school. These co-curricular activities provide opportunities for students to learn new skills and form friendships. They help to teach teamwork, cooperation and demonstrate school spirit. In order to participate in co-curricular activities, students must make a sincere effort in their academic endeavours and demonstrate acceptable levels of trust-worthiness. Students must conduct themselves in an appropriate manner both in and out of school. It is important for students to represent our school community by showing good sportsmanlike qualities and by dressing appropriately for the event.

Homework

At times, students may be required to complete unfinished school work outside of the classroom. On occasion, parents become concerned with the amount or content of the work their child is bringing home. If this is the

case, please take the time to contact your child's teacher. It is recommended that all students take the time to read each night, and if possible, in the case of younger students, be read to by a parent or older sibling.

Library Resources

Students will have the opportunity to sign out books or resources from the school library. These items must be returned the next time they visit the library. Students will not be able to sign out new material until their previous items have been returned. If a book is lost or damaged, it is expected that the student or parent will replace it.

Once your child has signed an Internet use agreement, they will be able to access the Internet. All time spent on the Internet will be supervised.

Wishing You a Successful Year

We hope you found the information in this handbook informative and useful. If at any time throughout the school year, you have questions or concerns, please don't hesitate to contact your child's teacher or our office staff. We know that each child will grow tremendously – both in learning and in faith. We look forward to working with you to provide your child with a fulfilling year.
